## I-405 HOV CLOSURES SCHEDULED

**LOS ANGELES** – The California Department of Transportation (Caltrans) announces the following closures **nightly** beginning Sunday, August 28 through Thursday, September 1:

- 11 p.m. to 6 a.m., two lanes of the northbound San Diego Freeway (I-405) at the Ventura Freeway (U.S. 101) connector;
- 8 p.m. to 6 a.m., the southbound I-405 Ventura Boulevard on-ramp.

Detours will be posted.

The closures are part of a \$6.2 million High Occupancy Vehicle (HOV, or carpool) lane on northbound I-405 between Ventura Boulevard and Burbank Boulevard. The project is expected to complete mid-2007, alleviating congestion at the I-405/U.S.101 Interchange as well as improving air quality and enhancing safety. It is one of four HOV lane projects currently underway on I-405.
